# SELF LOVE CHECKLIST

List possible rooms, spaces or nooks in your home to claim as yours.

One way to stay on track with your self-love is to use a daily checklist. This checklist will help you to nurture your self-love on a daily basis. Feel free to add any new ideas you might have. Plus, there may be additional things that you might want to do on a weekly basis, such as doing something that makes you like yourself more.

- List five things that fill me with gratitude.
- List five things that I like about myself.
- Read on the topic of self-love or self-esteem for 15 minutes.
- Eat a healthy breakfast.
- Eat a healthy lunch.
- Eat a healthy dinner.
- Exercise for 20 minutes.
- Repeat affirmations at least twice.
- Send myself a quick self-love message.
- Make a request of someone.
- Declutter a room for 10 minutes.
- De-stress for at least 15 minutes.
- Spend time doing something I love.
- Write in journal for 10 minutes.
- Do something that needs to be done.

Use this checklist each day until you get into the habit of doing things that make you feel good about yourself throughout the day. Enjoy this journey and see your Self-love grow!

# COMPLETE SELF MAKEOVER

Enhancing your self-concept will enhance your ability to compete in the world and achieve success. You also gain the added benefit of feeling good about yourself and your life. A self-concept can either be limiting or uplifting.

1. What are the limiting beliefs I hold that were created through past experiences?

---

---

---

---

2. Are these limiting beliefs valid? Where did they come from? Is it possible I interpreted the situation incorrectly?

---

---

---

---

3. How is my current life limiting my beliefs about myself, my capabilities, and my ability to control my future and my environment?
